ATEGORY	PRODUCT	BASE CHEMISTRY	CARRIER	APPLICATION METHOD	COLOUR		APPLICATION AREA
Underbody Coatings	Tectyl 120	Wax/Asphaltic	Solvent	Airless	Dark Brown		Heavy-duty truck underbodies, trailers, corrosion prevention during off-road us
	Tectyl 120-EH	Wax/Asphaltic	Solvent	Airless High Pressure	Dark Brown		Extra-thick chassis and undercarriage protection in industrial vehicles
	Tectyl 121-LV	Wax/Asphaltic	Solvent	Low Pressure Airspray	Black		Heavy-duty underbody protection for commercial vehicles and trailers in agree
	Tectyl 122-A	Wax/Asphaltic	Solvent	Airless	Black		Underbody coating for chassis and undercarriages
	Tectyl 190 Black	Asphaltic	Solvent	Airless	Black		Fast-drying protection for painted surfaces, repair parts. Overpaintable, NOT U
	Tectyl Underbody Coating Bronze	Wax/Asphaltic	Solvent	Spray can	Bronze		DIY underbody repair, automotive wheel arch protection. Spray can version of
	Stone Chipping Black	Asphaltic	Solvent	Spray can	Black		Stone chip protection for lower side panels, rocker panels. NOT UV resistant, overpail Black.
	Tectyl 5638W	Polymer Dispersion	Water-based	Airless	Dark Grey		Underbody coating and noise reduction of interior metal panels in public tran
	Tectyl 5638W-A	Polymer Dispersion	Water-based	Airless	Dark Grey		Underbody coatings and noise reduction for metal panels in car interiors
	Tectyl 5660W	Polymer Dispersion	Water-based	Airless	Dark Grey		Strong corrosion protection for wheel wells and undercarriage.
	Tectyl 5660W FR	Polymer Dispersion	Water-based	Airless	Dark Grey		Flame-retardant underbody coating for safety-critical applications. Fire retardar Bus and truck and trains operations. Sound deadening capabilities.
	Tectyl 5765W-A	Polymer Dispersion	Water-based	Airless	Dark Grey		Durable grey coating for underbody and inner panels
General Corrosion Preventive	Tectyl 127 CGW	Wax	Solvent	Airless	Aluminum		Corrosion protection for industrial parts and repair applications in weathering,
	Tectyl 283-S-17	Oil	Solvent	Dipping/Low Pressure Airspray	Transparent		salt corrosive atmospheres. Highly UV resistans Temporary protection for metal parts and subassemblies for generel (metal) ir
	Tectyl 300G Black E	Polymer Dispersion	Water-based	Airless	Black		Chassis parts, construction vehicles, agri-equipment. Good corrosion inhibitor.
	Tectyl 300G Clear E	Polymer Dispersion	Water-based	Airless	Transparent		Transparent finish for visual inspection of machinery
	Tectyl 400-C	Wax/Oil	Solvent	Dipping/Low Pressure Airspray	Dark Brown		Tool storage, spare parts, indoor protection of metal surfaces
	Tectyl 502-C	Wax/Oil	Solvent	Dipping/Spray/Brushing	Amber		Rust prevention for tools, chassis, metal parts and export (transport) parts. Very pen
	Tectyl 506	Wax	Solvent	Low Pressure Airspray	Dark Amber		Corrosion protection for machinery, parts, and shipments (indoor & outdoor storage
	Tectyl 506-EH	Wax	Solvent	Airless	Amber		Heavy-duty corrosion protection for chassis and structural parts. Hard version
	·						used in extreme conditions. Water-displasement for storage and transport for general industry, metal wor
	Tectyl 506-WD	Wax	Solvent	Low Pressure Airspray	Amber		corrosion preventive, water displaysment. Use on machined parts.
	Tectyl 511-M	Oil/Wax	Solvent	Low Pressure Airspray	Light Brown		Short-term protection of spare parts during shipment Preservation of tools and donated parts during manufacturing and storage sp
	Tectyl 846-K-19	Wax	Solvent	Airless	Amber		German military.
	Tectyl 3217-E	Polymer Dispersion	Water-based	Airless/ Low Pressure Airspray	Transparent		Transparent protective coating for engine blocks, brackets, high temperatures resistant. Espesially very good on aluminium, UV resistant.
	Tectyl 5506W-I	Polymer Dispersion	Water-based	Airless/ Low Pressure Airspray	Amber		Rust prevention for machinery and structural storage, water based version of
	Tectyl TPC Invisible	Oil/Resin	Water-based	Dilution in water	Transparent		Temporary surface corrosion protection for industrial and automotive parts, equipped No removal required.
Cavity Waxes	Tectyl 4D750	Oil/Resin	Non-solvent	Low Pressure Airspray	Light Yellow, Transparent		Cavity protection for automotive pillars, door frames, and sills, trains and buse al maintenance. Stops existing corrosion.
	Tectyl 210-R	Wax	Solvent	Low Pressure Airspray	Amber		Cavity protection for vehicle doors and hollow structures.
	Cavity Wax Amber	Wax	Solvent	Spray	Amber, Transparent		Automotive cavity protection in doors and pillars
	Cavity Wax Non Solvent	Oil/Resin	Non-solvent	Spray	Light Yellow, Transparent		Low-VOC cavity protection for structural vehicle elements. Same as Tectyl 4D7
	Tectyl 550-ML	Oil/Wax	Solvent	Low Pressure Airspray	Brown		Structural joints, welds and seams in Industrial constructions (strictures)
	Tectyl 558-AMC	Oil/Wax	Solvent	Low Pressure Airspray	Dark Brown		Spot repair, frame edges, seams in metal structures, primering underbody coating. Ap
	Tectyl Bodysafe	Wax/Asphaltic	Solvent	Spray	Amber/Brown		Underbody protection against salt and gravel and stone shipping for personal
	Tectyl Multipurpose Amber	Wax	Solvent	Spray	Amber		Universal rust protection for bolts, hinges, tools, and household equipment. Ideal for
	Tectyl Multipurpose Transparent	Resin	Solvent	Spray	Transparent		DIY use. Same as Tectyl 506. Transparent corrosion protection and moisture barrier for metal parts, electric
urpose							chrome-plated components in automotive, marine, household and industrial
	Tectyl Multipurpose Waterbased		Water-based	Spray	Transparent		Water-based rust protection for consumer use
	Tectyl 472	Oil	Solvent	Low pressure airspray or dipping	Transparent		Long-term indoor or covered storage protection of industrial parts, Domestic shipm
	Tectyl 1079	Wax	Solvent	Airless	Off-white/Opaque		Transport and export protection of painted metal surfaces
ndamping	Tectyl 5638W	Polymer Dispersion	Water-based	Airless	Dark Grey		Noise damping for public transport interior metal panels (train, buses etc) and
	Tectyl 5638W-A	Polymer Dispersion	Water-based	Airless	Dark Grey		Noise damping for automotive interior metal panels and underbody coating
	Tectyl 5660W FR	Polymer Dispersion	Water-based	Airless	Dark Grey		Flame-retardant underbody coating for safety-critical applications. Fire retardand truck and trains operations. Sound deadening capabilities.
Engine/ ystem Oils	Tectyl 915W40	Oil	Non-solvent	To fill	Transparent		Long-term storage of engines and compressors, multigrade oil. Used in minin
	Tectyl 930	Oil	Non-solvent	To fill	Transparent		Corrosion protection for engine blocks and machinery. SAE 30 Viscosity.
	Tectyl 150	Solvent	Solvent	Brush / Dip	Transparent		Preparation of surfaces before applycations Tectyl coatings. 100% solvent for
Speciality, Cleaners & Preparations	Tectyl Biocleaner	Water-based	Water-based	Brush / Dip	Light Yellow		Preparation of surfaces before applycations Tectyl coatings. Used as a soap for
	Tectyl 800-D BF	Oil	Non-solvent	Brush/Dipping	Transparent		Preservation of pneumatic tools and light machinery, including weapons. Barr
and dions	- ,			Brush			Lubrication and surface corrosion protection for industrial and automotive eq
